The Barossa Valley Regional Tasting at the Faculty Club

The Barossa Valley is primarily known for its red wine, in particular Shiraz. Other main grape varieties grown in the region include Riesling, Semillon, Grenache and Cabernet Sauvignon also some fortified wines are traditionally produced in the region. **Details and wine information will follow in April Newsletter**

April 16th Wine Dinner

We had originally scheduled a dinner evening for April 16, however due to the number of conflicting events that same day, the dinner will be rescheduled.

LCBO has an event that evening, as does the Spanish Wine Society and the Toronto Vintners, and with many of our members also members of these groups, we decided to hold off on our dinner at the George Brown Chef's House.

ANZAC Day 2013

Please join the Diplomats of Australia, New Zealand and Turkey in commemorating the joint troop landing in Gallipoli in 1915, at the 6:15 a.m. Dawn Service on Thursday April 25, 2013. The service will be held at the Canadian Forces College at 215 Yonge Blvd.

Past Events

Our BIG REDS evening was indeed a big success on all fronts, from the tasting notes and comments of our guest speaker, John Tait, to the Steak Frites finale. Following our reception wine, the Wynn's Coonawarra Riesling, we assembled for a line up of four blends and four varietals, that all exemplified what is so good about Australian wines, plus and this is the best part, they were really drinking perfectly.
