Past Events

On a fine June 21st Summer Solstice evening we gathered around the Rose Reception table, then sat down for a fine supper on the Faculty Club Patio with a trio of musicians to kick off the evening. A lovely and lively time was had by all.

Upcoming Events

Time once more, for the very popular Cellar Treasures tasting, when you have an opportunity to try some of the small quantity bottles of wines, languishing in the AWS Cellar. We will be at the Faculty Club Patio on October 8th to mingle, munch and taste. Bring your friends out to see what AWS offers to the membership.

We hope you have enjoyed the summer so far and maybe you have forgotten to renew your membership.
