Past Event

On January 23rd, we celebrated Australia Day in great style at the Albany Club with 54 AWS members and guests attending. Peter Shaw our Tasmanian troubadour strummed and strolled around with rousing Aussie songs. Following a fine reception, and the singing of the two Anthems, we sat down for our usual full four course dinner with wines to accompany each course. More songs between courses from Peter, including an animated Waltzing Matilda, with Mr. Bussell as the Swagman. Evening was topped off with a number of gift baskets and restaurant gift certificates door prizes. All good stuff from AWS.

Future Events

Tuesday March 24 we will hold a wine dinner at a new Queen Street West destination, Destingo modern Italian Kitchen at 741 Queen Street West. Owner Monica Vacca will host our evening.

Plans are underway for a special event in May, so stay tuned.

Thursday June 18th our Summer Solstice Dinner at the Faculty Club, outside on the patio has been reserved.

The Annual General Meeting and Barbeque will be in August on Sunday the 16th at the Toronto Lawn Tennis Club deck.
