Past Events

We are sorry if you missed the McLaren Vale vs. Barossa wine dinner on Tuesday October 18th, when forty two of us sat down to a truly sumptuous dinner prepared by Chef Vishal at Trapper's. Restaurant, in North Toronto. Prior to dinner we were treated to hot appetizers and an Aussie sparkler, then we sat down for a four course dinner, each course with two wines, one McLaren, one Barossa. Another super AWS evening.
